This home has been completely renovated and is move-in ready, offering 4/5 bedrooms and 2 bathrooms. The beautiful kitchen boasts white soft-close cabinets, quartz countertops, a stylish backsplash, and all-new stainless steel appliances. Throughout the home, you will find brand-new waterproof engineered hardwood flooring, carpeting, and updated lighting fixtures. Both bathrooms have been fully remodeled, and there is a convenient main-floor laundry room. The electric service has been upgraded to 200 amps, complete with surge and arc protection, meeting 2020 code standards. Additionally, the deck has new steps with added supports, brought up to Edwardsville city code as of May 2025. There's also room to park your vehicles under the deck, allowing you to use the space as a carport or a covered patio if you desire. There was some storm damage from Friday; this will be repaired before closing.
